

## A Note from Our Program Chair.....

Program 2010  
TANA members,  
Annual Meeting Date October 15-17

This year the annual meeting will be held at the Embassy Suites Convention Center in Murfreesboro. There were several reasons for the switch but it was time for a different venue anyway. We are trying to do something different this year. We are going to offer a concurrent session along with the usual lecture series. Our concurrent session will involve the use of cadavers and present the anatomy for different nerve blocks. We also hope to have a live person so that we can demonstrate the use of ultrasound equipment.

We will have a few familiar speakers such as Art Zwerling, CRNA, Janice Izlar, CRNA, and Debbie Chambers, CRNA returning along with some new faces like Sharon Pearce, CRNA, Ann Walker Jenkins from the AANA discussing billing, federal issues, and Medicare, and Juan Quintana, CRNA. I promise that this will be an interesting meeting. Our speakers will all be CRNAs.

We have also tried to get enlarge our vendor pool. We are attracting several non-health care related vendors. We are hoping to have a health care book vendor, beauty, crafts, jewelry, massage therapist, uniforms (scrubs) and motorcycle vendor.

We will be sending emails out to you in the near future regarding this meeting, and keeping you updated here on the TANA website.

Thanks,

Mike Morel,  
TANA Program Chair
