

TENNESSEE ASSOCIATION OF NURSE ANESTHETISTS

TANA 2020 VIRTUAL FALL MEETING OCTOBER 24-25

ONLINE EDUCATIONAL CONFERENCE FOR
CRNAs | RNs | SRNAs

HEROES of HOPE

ABOUT

Welcome to the Tennessee Association of Nurse Anesthetists' Annual Meeting!

Our theme this year, "Heroes of Hope," focuses on the high-quality care provided by CRNAs in these times of uncertainty. Thanks to their airway management, critical care knowledge, and critical-thinking skills, CRNAs have risen to the challenges this pandemic has brought. We are proud of the CRNAs in Tennessee and across the country who have embraced this challenge heroically. We celebrate you and have created an experience that we hope further enriches your practice.

Join us for a dynamic virtual experience featuring the high-quality educational sessions that you know and love on an engaging new online conference platform that will allow for more interaction among participants, presenters, and our sponsors in a virtual expo hall, as well as our poster presenters. Best of all, you will be able to easily access the conference directly in your web browser without having to download any new applications.

Is this your first time to be able to attend a TANA Meeting? Attendees will be able to move in and out of sessions similar to an in-person event and enjoy both the content and connections that TANA has to offer. Participants can invite each other to video chat one-on-one or send each other direct messages throughout the conference.

We know you have many options to meet your CE requirements and would be honored to have you join us to support your Tennessee state meeting!

REGISTRATION

Registration is open to TANA members and non-members at the following rates:

TANA PAC Member – \$225.00

AANA or TANA Member – \$250.00

Non-Member CRNA or RN – \$350.00

Retired CRNA or TN/VCU Student – Free

Out-of-State Student – \$50.00

Register online at www.tncrna.com/event/tanas-83rd-annual-meeting-virtual-conference/

INFORMATION

Please turn in your CE forms online at the end of your last day of meetings! Evaluation are required for CE.

Please go online to TANA's website at www.tncrna.com to fill out the TANA 83rd Annual Meeting Learner Assessment and Program Evaluation to receive your Class A CE Credits! You will find this at the top of the homepage.

This program has been prior approved by the American Association of Nurse Anesthetists for 16.75 Class A CE credits; Code Number 1039806; Expiration Date 10/25/2020. AANA designates this program as meeting the criteria for up to 2.00 CE Credits in pharmacology/therapeutics.

TANA PROGRAM COMMITTEE

Brody White, CRNA, Chair
Linda Hill, CRNA
Rachel Nall, CRNA
Delia Rhinehart, CRNA
Molly Wright, CRNA
Mila Devineni, SRNA

About Your 2020 MC: Jon Holmer

Jon Holmer MSN, CRNA is a freshly minted CRNA after graduating from Case Western Reserve University in 2018. He lives in Cleveland OH (yes, people actually live there willingly), providing anesthesia for the likes of LeBron James and Baker Mayfield. You may not have seen Jon on shows like Ellen, Dr. Phil or Jerry Springer, but he has emceed for a number of state nurse anesthesia associations meetings and critical care nursing conferences. When he's not giving people ketamine dreams during long robotic cases, he enjoys coming up with new ways to blame anyone other than anesthesia for problems like surgeon morale, the ever-increasing amount of space junk, and why my neighbors' grass keeps dying in the same spot. He hopes you enjoy some of the fun humor and commentary during your meeting!

SESSIONS · SATURDAY, OCTOBER 24

Participants will be able to preview the new online platform, starting **Friday, October 23rd at 1:00 pm**. All times are in Central Daylight Time (CDT).

6:40 AM – 7:30 AM

Yoga! Live

Get out your yoga mat and join Dr. Terri Durbin for 50 minutes of stress relief to start your day!

7:30 AM – 8:00 AM

Coffee & Conversations with Exhibitors and Sponsors – Earn Points & Win Prizes!

PRESENTER

Terri Durbin, DNP, PhD, CRNA, APN
TANA Federal Political Director
Clinical Associate Professor, DNP
Program Chair, & Interim Assistant
Dean, Graduate Programs at
University of Tennessee College of
Nursing
terrigna@gmail.com

8:00 AM – 8:15 AM

Welcome & Instructions for the Day

8:15 AM – 9:30 AM

CRNAs Experience in the COVID Pandemic: Panel Discussion – Live Q&A

WELCOME HOST

Brody White, DNP, CRNA
Program Committee Chair at
TANA
CRNA at East Memphis
Anesthesia Services
tjbwhite@gmail.com

In this session, the panelists will share personal experiences, identify new roles CRNAs are able to fill, discuss temporarily suspended supervision requirements during COVID, and explain SOFA score and its use during COVID pandemic.

PANELIST

Cesar Ferron, MSN, CRNA, APN
CRNA at Anesthesia Medical
Alliance of East Tennessee
cferroncrna@gmail.com

PANELIST

Delia Rhinehart, MSN, CRNA,
FNP-C
CRNA at Mednax - Baptist
Medical Center
deliarhinehart@yahoo.com

PANELIST

Isaiah Fuller, MSA, CRNA, APN
COVID Response Team at St.
Barnabas Medical Center
CRNA at Mednax - Baptist Medical
Center
heartbreakern@yahoo.com

PANELIST

Josephine Chu Low, DNP,
CRNA, APN
CRNA at NAPA– American
Anesthesiology
josephine06@comcast.net

MODERATOR

LCDR Hope Ferguson, DNP, CRNA, APRN
CRNA at VA Memphis Medical Center and Navy Reserve Operational Hospital Support Unit Navy Hospital: USNS Mercy
Adjunct Faculty at Baylor University United States Army Graduate Program in Anesthesia Nursing: VA Memphis
hopef14@hotmail.com

9:30 AM – 10:30 AM

Neurophysiology of Addiction – Live Q&A

In this session, Julie will explain the neurochemical process associated with the “pleasure center” of the brain, describe the risk factors for addiction/substance use disorder, and identify required actions for CRNAs in TN who suspect Substance Use Disorder in a coworker.

10:30 AM – 11:00 AM

Visit with Exhibitors and Sponsors

PRESENTER

Julie Linton, MSN, CRNA, APRN
Owner of Shenandoah
Anesthesia LLC
CRNA at Endoscopy Center of
Robinwood
julia_linton@yahoo.com0

11:00 AM – 12:00 PM

AANA Board Update for States – Live Q&A

The presentation will include the AANA and membership demographics and provide an update on current issues affecting the AANA and the nurse anesthesia profession. The AANA update will provide information on the value of membership and on the support services for state associations and members.

PRESENTER

Jan Setnor, MSN, CRNA
Chief Anesthetist & Compliance
Officer at Austin-Weston Center
jancrna@hotmail.com

CONCURRENT • 12:00 PM – 1:00 PM

So You Want to be an Independent? – Live Q&A

In this session, Pam will review the benefits and daunting aspects of self-employment, discuss the many facets of self-employment, and help you make an informed decision if this path is right for you.

TASNA Student Meeting

1:00 PM – 2:00 PM

TANA Annual Business Meeting – Live Q&A

Open to all TANA members!

PRESENTER

Pam Stopher, CPC
President of Park Medical
Management, Inc.
pamstopher@parkmedicalmgt.com

2:00 PM – 3:00 PM

Anesthesia Innovation Through Technology

At the end of the lecture, the listener will be able to list and identify new clinically relevant technology to enhance patient care and will have a better understanding of alternative technology evolutions and styles and how to implement them.

3:00 PM – 3:30 PM

Visit Student Poster Sessions – Live Interaction

PRESENTER

LTC Peter Strube, DNAP, CRNA,
APNP
Assistant Program Director
University of Wisconsin, Oshkosh
CEO of Trollway Anesthesia and
Educational Services
pstrube3000@yahoo.com

3:30 PM – 4:30 PM

2020 Tennessee Legislative Update: A Candid Conversation with the TN Department of Health

An overview of current nurse anesthesia legislative initiatives in Tennessee, and a discussion regarding steps and measures the TN Department of Health is taking to manage the COVID-19 Pandemic.

4:30 PM – 5:30 PM

TANA's Annual Dr. Donald Bell, CRNA College Bowl

Virtual Trivia Competition for ALL attendees to play and watch the schools battle for the 2020 Spirit Trophy!

PRESENTERS

Tausha Alexander
Lobbyist and Political Director
TANA
talexander@mnagr.com

Morgan McDonald, MD, FACP, FAAP
Deputy Commissioner for
Population Health at the TN
Department of Health
Morgan.McDonald@tn.gov

SESSIONS · SUNDAY, OCTOBER 25

7:30 AM – 8:00 AM

Welcome & Instructions for the Day

Coffee & Conversations with Exhibitors and Sponsors – Earn Points & Win Prizes!

8:00 AM – 9:00 AM

Recognition and Prevention of Suicide in CRNAs – Live Q&A

In this session, Crystal and Kelli will discuss the prevalence of depression and suicide in SRNAs and CRNAs, identify risk factors that contribute to the development of suicidal ideation, share suicide prevention strategies, and identify resources for those at risk.

PRESENTERS

Crystal Odle, DNAP, CRNA
Program Director & Assistant
Professor at Lincoln Memorial
TANA State Peer Advisor
crystal.odle@lmunet.edu

Kelli Pryor, DNP, CRNA
Director of Education
Truman Medical Center (TMC)
School of Nurse Anesthesia
kelli.pryor@tmcmed.org

9:00 AM – 10:00 AM

Today's Research Impacting Tomorrow's CRNAs – Live Q&A

In this session, Lorraine will discuss the healthcare landscape, identify the key research topics in anesthesia, and discuss the current studies and their impact in anesthesia.

PRESENTER

Lorraine Jordan, PhD, CRNA,
CAE, FAAN
CEO of the AANA Foundation
Chief Advocacy Officer of AANA
ljordan@aana.com

10:00 AM – 10:30 AM

Visit with Exhibitors & Prize Drawing

Student Poster Sessions – Live Interaction!

10:30 AM – 12:00 PM

Basic Perioperative Transesophageal Echocardiography – Live Q&A

Sponsored by Middle Tennessee School of Anesthesia

In this session, John will discuss basic perioperative transesophageal echocardiography as an advanced cardiac monitor, identify ultrasound windows used for advanced hemodynamic monitoring, and identify the use of basic transesophageal echocardiography.

12:00 PM – 1:15 PM

CRNAs Making a Difference: What Role is Best for You? – Live Q&A

Sponsored by LifeLinc Anesthesia

A panel discussion with TANA CRNAs that practice in various settings: Large anesthesia group, rural anesthesia, trauma center, endoscopy center, ASC, and office-based practice. The panelist will present an overview of their particular practice setting. The session will conclude with an interactive panel discussion.

PRESENTER

John Shields, DNP, CRNA
Cardiac CRNA at Vanderbilt
Heart and Vascular Institute
Faculty at Middle Tennessee
School of Anesthesia
john.shields@vumc.org

PANELIST

David Klappholz, MSN, CRNA, APN
TANA President
Owner & President of Merit Anesthesia
dklappholz@me.com

PANELIST

Victor Martin, MBA, CRNA
TANA President-Elect
President of Stage Two Anesthesia, PLLC
vic@stagetwoanesthesia.com

PANELIST

Andrew Rice, DNP, CRNA, APRN, ACNP-BC
Assistant Professor of Nurse Anesthesia &
Chair at Union University
ricecrna@gmail.com

PANELIST

Angie Duncan, DNP, BBA, CRNA
SRNA Clinical Coordinator &
Trauma Staff at Region One
Health, Elvis Presley Memorial
Trauma Center
angied413@aol.com

PANELIST

Dana Traylor, MSN, APN, CRNA
Regional APA Director, SE
Region at North American
Partners in Anesthesia
dtrna@comcast.net

PANELIST

Eric Callan, DNAP, CRNA, APN
CEO of LifeLinc Corporation
ecallan@lifelinc.com

PANELIST

Kim Ward, CRNA, APN
Chief Anesthetist at
Gastroenterology Center of
the MidSouth, PC
kward@gastro1.com

12:00 PM – 6:00 PM

ACLS/BLS/PALS Recertification

Pre-Registration Required

The AHA fully supports this new online method of delivery and official AHA ecards are issued for all disciplines. Special emphasis will be placed on providing relevant updates to the science and applying these updates to the current algorithms. The course will focus on case scenarios covering the core modules of ACLS and PALS and an interactive approach will be used. Testing and evaluation are integrated in the course through active participation. Additionally, handouts with the relevant algorithms will be provided for reference. Additional course resources will be provided for self-evaluation and review following the course. The course is taught in a low-pressure environment with a lot of participant interaction! Additional time is built into the schedule to allow for self-study and preparation as needed.

PRESENTER

Crystal O'Guin, DNP, CRNA
Assistant Professor and Research
Director at Georgetown
University Doctor of Nurse
Anesthesia Practice Program
crystalogu@georgetown.edu

1:15 PM – 2:30 PM

A Sober CRNA's Experience with Being Reported

In this session, Justin and Jessica will define substance use disorder (SUD) as well as signs, symptoms, and impact of SUD related to CRNAs and discuss the peer assistance process and identify the wellness resources available to CRNAs.

PRESENTER

Jessica McAdoo, MSN, CRNA
CRNA at LifeLinc Corporation

jtindall85@yahoo.com

PRESENTER

Justin McAdoo, DNP, CRNA
CRNA at LifeLinc Corporation
TANA State Peer Advisor
mcadoojd@gmail.com

MODERATOR

Crystal Odle, DNAP, CRNA
Program Director & Assistant Professor at
Lincoln Memorial University
TANA State Peer Advisor
crystal.odle@lmunet.edu

TANA On-Demand CE Library

(Offered in December 2020 to all registrants)

CRNAs and Advocacy – What's Hot

In this session, Lorraine will define advocacy, discuss what advocacy means to the members, and identify key areas of advocacy for AANA.

Lorraine Jordan, PhD, CRNA, CAE, FAAN, AANA Chief Advocacy Officer and AANA Foundation CEO

Illegal Drugs

The listener will understand the mechanisms of illegal drugs and how they interact with anesthesia agents, be able to list and identify illegal drug interactions and anesthesia, have a better understanding of alternative drug therapies for perioperative patient management of the patient abuse illegal drugs, and be able to discuss appropriate interventions for illegal drugs abuse.

LTC Peter Strube, DNAP, CRNA, APNP, Assistant Program Director, University of Wisconsin, Oshkosh

Leading from the Start

In this session, Julie will discuss the commitment involved in serving on a state BOD, committee, etc., define current terminology, identify why all leadership levels are necessary to an organization, review some major leadership styles and explore their efficacy, and identify personal leadership styles and how to develop them.

Julie Linton, MSN, APRN, CRNA, Owner, Shenandoah Anesthesia LLC, CRNA, Endoscopy Center of Robinwood

Pediatric Pearls for Novice Providers and Infrequent Flyers

In this session, Amanda will review pathophysiology, surgical techniques, and anesthetic management tips for common pediatric cases, identify challenges to case management based on pathophysiology or surgical technique for common pediatric cases, and help decrease fears for novice or infrequent pediatric providers.

PRESENTER

Amanda Dickert, DNAP, CRNA,
APRN, NEA-BC

Associate Chief CRNA at Vanderbilt
University Medical Center

amanda.bullington@vumc.org

Pharmacogenetics and Personalized Anesthesia Care

In this session, Peter will identify basic genetic traits and pathways, share how to use these pathways and traits to promote better patient outcomes, identify resources for understanding pharmacogenetics and how pharmacology can be maximized in the presence of genetic variations.

LTC Peter Strube, DNAP, CRNA, APNP, Assistant Program Director, University of Wisconsin, Oshkosh

The Role of the CRNA “Down Range”

In this session, David will share the components of the Forward Resuscitative Surgical Team (FRST), describe the types of anesthetics employed in a FRST, and identify the major goal of the FRST.

PRESENTER

David Gaskin, CRNA, MHS,
NSPM-C, CPT USAR

Owner of Maverick Medical
Education and Republic Pain
Specialists, LLC

davidgaskin1@gmail.com
