# WELCOME

**TANA's Fall Vacation: Road Trip to Wellness** will explore all aspects of wellness, from the personal to the professional, with a good dose of fun thrown in for good measure. If this year's theme rings a bell, you're as smart as you think! Your road trip will include opportunities to hone your decision-making skills, enhance your self-care capabilities, and bone up on the latest advancements in POCUS, pain management, and other clinical hot topics. Learn how to navigate the CPC Program with one-on-one assistance, and venture into the world of maternal health/OB anesthesia. And if your journey includes a mission trip or business start-up somewhere along the way, we'll help you get there.

Of course, any trip is only as good as who accompanies you along the way. That's why we're ensuring you'll have plenty of time to network with colleagues from across the state, visit exhibitors, meet our very own Cousin Eddie, and have your picture made with the vacation station wagon (remember station wagons?)!

So, thank you for joining us at TANA's 85th Annual Meeting to celebrate the excitement, rewards, and satisfaction of being a Certified Registered Nurse Anesthetist!

Linda Hill, DNSc, DNP, CRNA, FAANA, Co-Chair  
Rachel Nall, MSN, CRNA, APN, Co-Chair
